

## 2012 TRAVEL MENORCA EXTRAS PRICE LIST

Travel Menorca is pleased to be able to supply a wide variety of convenience items for hire during your stay, and also a range of food packs to make arrival at your holiday villa or apartment all the more enjoyable. **Due to client demand and airline luggage restrictions we have added beach towels for you convenience. Why not leave yours at home and arrive to find them in your property?**

All food packs and extras **will be added to your final invoice**. Just indicate them on your booking form. Food packs are highly recommended if your arrival time is late in the evening.

We also offer a comprehensive range of further rental items. Please enquire if there is anything you need – we can find it.

Would you like a specialist shopping service? A full list of your requirements must be with us two weeks prior to your departure – you pay locally for the items plus a €20 service charge. Babysitting can be arranged for that special night out. Please enquire for details and prices; three weeks notice is required to arrange. Additional maid services are available at a cost of €20 per hour, payable locally.

**Please note there will be an admin charge of £5 for all orders placed up to 14 nights before travel**
